School Year Recap

The 2023-2024 school year was outstanding to say the least! The active members strove for excellence and together were able to accomplish so much!

Starting in the fall, we initiated 12 new sisters in pledge class 89, Anyssia's Aliens.

For homecoming, based on the theme, A Century of Tradition, we chose to represent the 1993 NCAA Women's Basketball Championship. We participated in both the board and banner competition, as well as decorated a float for the parade which we won an award for!

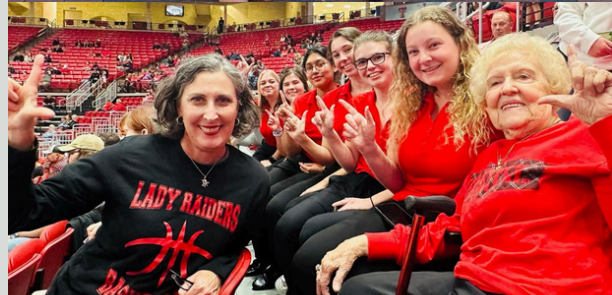

To cap off the semester we celebrated the university's Centennial Closing Ceremony at the 65th Annual Carol Of Lights.

Starting in the spring, we initiated 4 new sisters in pledge class 90, Butler's Ballers.

We then hosted our FIRST EVER Duck Derby event which was a hit, with special thanks to all of our sponsors, our coordinator Shellby, and everyone who contributed to the success of our event.

Throughout the semester we participated in Arbor Day, celebrated the end of the year by bringing back the tradition of the Rambling Rose, said official goodbyes to so many of our sisters, and to end it all had the honor of being named the Student Org of the year!

Our year couldn't have ended on a better note and we're just as ready and eager to see what this new year has in store for us!!!

Summer Update

Over the summer, active members worked Red Raider Orientation every Tuesday over the course of June and July to recruit potential members for the organization. We were able to meet and introduce the organization and explain what we do to so many incoming freshmen/transfers and all that hard work is paying off now during our rush week!

We can't wait to see what this year has in store for us as we have been prepping then and since we've been back. There are some exciting things coming up in the future that we can't wait to share with you!

HR Love

We hoped you enjoyed our newsletter! We are excited to keep you updated with all of the amazing things happening in Lubbock.

Thank you for your support of all the active members!
